

## Projects

### Quin

Facebook Global Hackathon Finals 2012 Winner

Built a speech-to-text, natural language search engine for iOS 6, specifically catered for Facebook.  
Contribution: Graphic components, help page HTML/CSS, NLP search training and testing.

Fall 2012

### Ninjaquote

Waterloo Facebook Hackathon 2012 Winner

Created a website in 24 hours that uses past statuses to test users' knowledge of their friends.  
Contribution: Layout of website components, graphics and visuals, advertising.

Winter 2012

### thinkfree.ly

Velocity Venture Fund 2012 Finalist

Co-founded a startup building a visual, collaborative tool for organising information.  
Contribution: Marketing research, graphics and presentation materials, networking.

Winter 2012

### Introduction to Artificial Intelligence

Participated in the inaugural offering of Stanford's free AI class.  
Final mark: 91.6%, Final exam: 100%

Fall 2011

## Work Experience

### Tenthbit, Inc.

QA Engineering Intern

Put pre-release versions of Pair for Android and iOS through a thorough testing system.  
Provided direct customer support to the general public via multiple channels.

Summer 2012

### Société Générale de Surveillance

Hydrometallurgy Technologist

Extracted rare earth and metals and radioactive elements using hydrometallurgical processes.  
Gained experience in both bench-scale laboratory work and pilot plant operations.

Fall 2011

### Environment Canada

Great Lakes Research Assistant

Carried out extraction techniques to study human markers in river and lake water.  
Performed combustion analysis to measure organic and inorganic suspended solids in samples.

Winter 2011

### University of Waterloo

E-Communications and Marketing Associate

Collaborated in planning events catered to prospective students.  
Regularly gave tours and was an information source for Waterloo Engineering.  
Upgraded the Facebook page for recruitment; membership and traffic increased 100-fold.

## Interests

## Art and Design

I strive to follow Dieter Rams' principles of good design in every project or doodle.

## Languages

My native language is Korean. I know some French and Russian.

## Rock Climbing

I enjoy both bouldering and top-roping. I am working on 5.9–5.10–problems.
